### HARLOWTON PUBLIC LIBRARY CONFERENCE ROOM

A regular meeting of the Harlowton City Council held Dec. 9<sup>th</sup>, 2014 opened with Pledge of Allegiance. Minutes of the November 11<sup>th</sup>, 2014 meeting were approved as written.

#### ACCEPT PUBLIC COMMENT:

#### OLD BUSINESS:

1. Rocky Mountain Cookware Access Agreement getting close to being done. They had issues with boundaries, but got that all straighten out.

#### COMMITTEE REPORTS:

#### NEW BUSINESS:

1. Annexation Corral Motel and Sportman: We can't move forward till Sportman's get their paper work in.
2. Buying the roll off—Jeff would like to see us purchase the roll-off. If we do it before the end of the year what we paid in rent will go to purchase price. We also have the check from Headwaters, Callant, and donations. Bryan made motion to purchase after we have all the figures. Jim seconded, Motion carried. Jeff will call all council men with exact figures.

#### REPORT OF CITY SUPERINTENDENT:

Ian was gone but Jeff reported for him. Doing a lot of snow removal,

tree trimming. Bryan asked about the report on the trees that the 2 girls came and did a study on? Nobody has heard anything. They are very happy with the skid-steer, there has been no water leaks. Jeff asked if there were any questions for Ian.

Jeff talked about Phase 3 of water project. Told of the different grants and how we stood.

Bob Jones gave report on Study Commission. First thing is to swear everybody in. Then they will manage their own meeting. He thought it was very good.

Jeff gave a report on the Central Montana water Authority Meeting. Judith Gap and Harlo will be the first phase of the project. Sounds like after the first of the year a group of them will be headed for Washington DC to plead their case on Capital hill.

John Anderson had a question on Energy Labs Bill. Will check it out.

John Anderson made motion to pay bills and Jim Kalitowski seconded it. Motion carried. Byran Tomlinson substained from voting, as the fireman annual pay was in the bills.
