

## HARLOWTON CITY COUNCIL MEETING

September 9, 2014

Harlowton Public Library Conference Room

A regular meeting of the Harlowton City Council held September 9, 2014 opened with the Pledge of Allegiance. Minutes of the August 26, 2014 meeting were approved as written.

Everett Misner from Rocky Mountain Cookware is requesting an access agreement from the City of Harlowton to utilize the back and basement of his building to haul fill and create a road that non-semi-trucks can access the back door of the building to haul loads out of the building. Sell stated that he believed there is plenty of room back there to create said road without interfering with Antelope Creek. Kalitowski requested that the land be surveyed. There was discussion about the high cost of having the land surveyed. Tomlinson requested legal measurement at the cost of the landowner. The council decided on having the City Attorney draw up a legal easement to review and look into the access agreement further. Sell will speak with the attorney.

The Final budget was reviewed. Changes were made in the General Fund 1000, account 410200, object code 110, council salaries, dropping it from \$7,200 to \$4,800. No other changes were made. Tomlinson made a motion to adopt the final budget. Teig seconded the motion. Motion carried unanimously.

City Superintendent, Ian Reed reported that the alternates of the sewer project are being started. All that is left for the main sewer project is paving and rehab and hydro seeding. They are projecting completion of the main project in two weeks. Ian has ordered patching materials for streets and plans on beginning that project in the fall, as we are running out of good weather. The crew fixed another water break. They are planning on chip sealing the newer streets to save them in the spring.

Items for next meeting: Code book.

Mayor Sell will be out of town on both scheduled nights of October's City Council Meetings, the council decided on having one October meeting, October 14, 2014.
